If both individuals were employed by DVC, they will be covered under a single credit limit as per the stated clause.
3. Contributions for the scheme are recovered annually in April from the pension as per Clause 4(4.2) of the CPRMAS. 5. Similarly, if contributions were mistakenly recovered from both pensioners (i.e., Wife and Husband), please inform the Pension Section, HQ for necessary record updates and refunds. If the yearly contribution of CPRMAS was inadvertently recovered from family pensioners other than the spouse, the amount will be refunded upon intimation to the Pension Section, Kolkata.
6. Furthermore, if a double credit limit was inadvertently used in cases where both husband and wife are DVC pensioners, or if the CPRMAS treatment facility was availed by a family pensioner other than the spouse by mistake, the entire amount utilized will be recovered from the respective pensioners.

Therefore, all concerned pensioners are requested to submit the Declaration in the attached format (Annexure-I) within 21 days from the date of issue of this Notice/Circular to the Pension Section, DVC, Kolkata through the email id dvcension@gmail.com or by post/speed post.
