OFFICE CIRCULAR

It has been observed that the Cost-involvement for OPD Treatment in regard to Haemo-Dialysis & Radiotherapy is recurring in nature and very high & difficult to sustain. In view of the constrains faced, the Corporation has decided that henceforth the treatment of Dialysis and Radiotherapy will be done on Indoor Admission Basis (Cashless) for both Employees/ Dependents & Pensioners under the Approved Tie-Up Health Care Facilities of DVC.

This issues with the approval of the Competent Authority with immediate effect.

(Dr. Rajit Bhattacharyya)
